

A demonstration of mechanical checks

August 28, 2026

1 Introduction

This document contains planted mistakes. Section 1 refers to itself, which is fine. The next reference points at a label that does not exist: ??.

Figure 4 is referenced properly here.

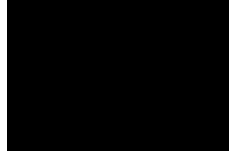

Figure 1: A figure that cannot be referenced

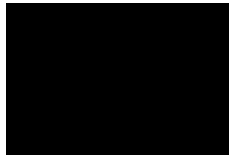

Figure 2: The label above was placed before this caption

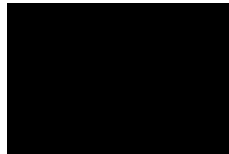

Figure 3: A figure with no alt text

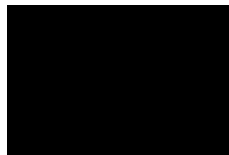

Figure 4: A well-formed figure
